Assistant Principal

November 2009

Dear Parents and Community Members,

This is the time in the school year when we begin the budget development process for school year 2010 – 2011. As principal of Leeds Elementary School, it is important to me to have input from all stakeholders in the public schools for budget priorities. Please take a moment to complete this survey, add any comments and return to your child's teacher. Your suggestions and opinions are valuable to me as I organize, summarize and prioritize our 2010 – 2011 budget request. Your assistance is appreciated.

Sincerely,

Alan C. Loman
