## Image Usage

Feel free to use ClipArt.com content in commercial or noncommercial projects to create web pages, T-shirts, posters, book covers, art, advertising, newsletters, presentations, logos ... you name it!

There are no per-image costs, royalties, or extra payments for ClipArt.com's content when you follow the Usage Guidelines below. We make it easy for you to use our files for virtually any purpose -- except to compete with us.

### Usage Guidelines

Many photos, clip art images, web art images, and fonts (the "Content") contained herein are either licensed from or owned by third-party sources. In utilizing this site you are permitted to use, modify, and publish the content subject to the following restrictions.

**You are permitted to use the Content, including online use and multimedia applications, as long as all of the following conditions are met:**

- The images are incorporated for viewing purposes only.
- The images do not comprise a large portion of the content of the application.
- Your web pages and your clients' web pages do not give permission to download and save the images for any reason.
- The application is not a product which is similar to or competes with any of the features of any ArtToday, Inc. ([www.imsisoft.com](http://www.imsisoft.com)) product.

**You are not permitted to...**

- ...redistribute the Content as stock photography, clip art, web art, sounds, multimedia, or fonts
- ...use any of the Content for any commercial purposes in excess of 100,000 printed copies without explicit written permission. NOTE: Web page impressions are unlimited
- ...use any of the Content of an identifiable person (living or dead) for any commercial purpose
- ...use any of the Content related to identifiable individuals or entities for any commercial purposes or in a manner which implies their endorsement of or association with any product, service, or entity
- ...use specific government, company, or persons' names, initials, and emblems for any commercial purposes or to express or imply endorsement or sponsorship of any commercial product, service, or activity
- ...create obscene or scandalous works, as defined by the Federal Government at the time the work is created, using the Content or any modification of the Content
- ...use a spider, web crawler, or other similar automated tool to download content.

We request that the use of ClipArt.com Content include a credit, which should read as follows:  
"some images © 2003-(current year) www.clipart.com"

### Username and Password Restrictions

Your username and password are for your personal use only. Anyone found to share or distribute their username and password will have their membership terminated immediately.

## Disclaimer

ClipArt.com is not responsible for the use of ClipArt.com images by ClipArt.com members in any web pages, periodicals, or other documents. The opinions and views expressed by ClipArt.com's members or visitors do not necessarily represent those of ClipArt.com, and ClipArt.com does not verify, endorse, or vouch for the content of pages or documents created by ClipArt.com members.

Further, ClipArt.com is not responsible for the delivery or quality of any goods or services sold or advertised through or on ClipArt.com members' page(s). If you believe that any of the visual content provided by ClipArt.com violates your proprietary rights, including copyrights, please contact the [ClipArt.com Legal Department](#).

## MEMBER RESPONSIBILITY, CAUTIONS

You are solely and fully responsible for any ClipArt.com images that become part(s) of web pages, periodicals, or other documents you post or distribute. We do not regularly review the contents of materials created or posted by our members or other visitors to our site. We strongly recommend against posting or otherwise distributing any of the following types of content, whether you obtained it from ClipArt.com or other source(s); to do so could involve you in litigation, for which we in no way would be responsible.

1. Material of a lewd, lecherous, or obscene nature and intent, or that violates local, state, and national laws.
2. Any material that violates or infringes in any way upon the proprietary rights of others, including, without limitation, copyright or trademark rights; a good rule of thumb: if you don't own the copyright or have express authorization and documented permission to use it, don't use it. Please read the full text of the ClipArt.com Terms of Use, Consent to Terms, and Usage Guidelines pages to verify that your proposed use of ClipArt.com images is acceptable.
3. Any material that is threatening, abusive, harassing, defamatory, invasive of privacy or publicity rights, vulgar, obscene, profane, indecent, or otherwise objectionable; this includes the posting of other people's private information.
4. Content that promotes, encourages, or provides instructional information about illegal activities -- specifically hacking, cracking, or phreaking.
5. Any software, information, or other material that contains a virus, "Trojan Horse," "worm," corrupted data, or any other harmful or damaging component; hate propaganda or hate mongering; or fraudulent material or activity.
